Dear Parents,

## Science Dome Visit

We have a very exciting day planned for Tuesday 21<sup>st</sup> May.  
We have booked the 'Science Dome' for the day.

The 'Science Dome' is an inflatable dome packed with digital technology designed to explore the curriculum in an interactive and exciting way. The Science Dome visits schools presenting a different learning experience to children. The domes are the most advanced digital domes in the country capable of showing 360 degree pictures and films.

Our Reception, Year 1 and Year 2 classes will visit the dome during the day. Our Reception classes will participate in an 'Earth and Beyond' show as part of their learning about Space. Our Year 1 and 2 children will learn all about 'Pirates and the Sea'.

The Science Dome is an expensive resource but we think that it will be well worth it. We will subsidise the cost of the Science Dome visit because we know that it will make a great contribution to the children's learning. We are also asking you if you would make a contribution of £4 per family towards the cost of this exciting learning experience. If you do not feel able to make a contribution, please talk to me in confidence.

All payments should be made through ParentPay<sup>®</sup>. Simply log on to your account and select the 'Science Dome' heading to pay. You do not need to return a slip because we can make a list of those who have made a payment through ParentPay<sup>®</sup>.

If you need a reminder of your ParentPay<sup>®</sup> log in details, or if you want to pay by cash at a local store displaying the PayPoint sign, please ask at the school office.

Thank you for your continued support. Please do not hesitate to contact me if you have any questions.

Yours sincerely,

Nick Waldron

Headteacher
