Love Life, Live Lent – Week 3

Love Life, Live Lent is all about doing something positive.

The actions are small, but they can add up to something bigger when lots of people get involved.

Through Love Life, Live Lent we aim to give inspiration for simple things which families can do to spread around a little generosity and happiness.

Go on, give it a go!

- Plant some seeds where the flowers will be seen
- Have a TV free day and do something you have meant to do for ages
- Go for a walk in your neighbourhood with a friend
- Feed the birds
- Talk to someone new on the playground

News in Brief

We will be planning some sporty activities this Friday and we invite all our children to wear their sports gear on that day. It would be fabulous if everyone could donate at least £1 to the Sport Relief charity on the day.

This Saturday, 22nd March, there's a Mother's Day Craft / Shopping event at the Jonathan Page Play Centre on Meadowcroft. Visitors will have the opportunity to make and/or buy Mother's Day gifts.

Stalls include Wooden Plaques, Box Frames, Jewellery, Knitted and Sewn Gifts, Painted Glass and Ceramics, Face Painting, Raffle, Refreshments and much more. There's also a chance to have an instant photo-card created at the 'mini portrait studio'.

The event is from 1pm to 4pm and entry is free.

MOTHER'S
DAY!

A colorful graphic for Mother's Day with the words "MOTHER'S DAY!" in large, multi-colored letters. A small yellow flower with a green stem is positioned to the right of the text.

Thank you very much for the kind donations of spare clothes we have received. We now have quite a lot of smaller girls clothes but if anyone has any spare boys clothes, or clothes for bigger girls, we would be very grateful. We would also appreciate it if parents could make sure that they return any clothes that their child needs to borrow. Thank you very much.

Helping your child at home

Hearing Initial Sounds in Words

Try playing 'I spy' with your child, remembering to say the letter sound instead of the letter name – "I spy with my little eye, something beginning with mmmmm...."

It may help make it easier if you play the game using objects you can both see, for example the food on your plate, or have a selection of objects on a tray

Try playing 'Hungry teddy'! Have a few items for teddy to choose from. See if you child can feed their teddy something beginning with ssssssss... It doesn't have to be food, teddies can eat anything!!

Have fun!!

We're Going Electronic...

Recently we have started making greater use of email and text messaging this has been well received. We now intend to stop sending paper copies of newsletters after the Easter holiday because we know that the majority of our parents now have access to the internet, email and mobile technology. We will also continue to place copies of our newsletters on the school website each week.

If you are currently receiving our newsletters electronically each week through email, you don't need to do anything. You will continue to receive the newsletters in the same way. If you are not currently receiving our newsletters electronically each week, you will need to give us your up to date email address so that you can enjoy the benefits of electronic communications – simply send us an email with your current email address (office@buckinghampark.bucks.sch.uk) and we will update your records.

If you do not have access to the internet or email, we can send you a paper copy of our newsletters and messages. Please complete the form below and we will ensure that you don't miss out.
