Buckingham Park Church of England Primary School Nursery Newsletter

Volume 3 :: Issue 25 :: Wednesday 15<sup>th</sup> April 2015

## Welcome Back

We do hope that you all had a restful and enjoyable Easter break. It was lovely to have a little bit of sunshine wasn't it?

One of the key messages of Easter is 'new life'. This term we'll be thinking all about new life in our science, as well as in our worship times. We have lots of exciting ways of thinking about new life, including some very 'egg-citing' guests!

Of course we don't have the opportunity to start a new life in school this term – but a new term is a fresh opportunity to be the very best that we can be.

We especially want to welcome our new Nursery families joining us this week. We trust that you will be very happy at Buckingham Park.

Today I  
begin a  
new life.

## Welcome Back Mrs Whytewood

**WELCOME  
BACK!!**

We are delighted to tell you that Mrs Whytewood returns to school this week. Mrs Whytewood has been on maternity leave for almost a year following the birth of her son, George.

Mrs Whytewood is our Early Years Phase Leader. This means that she leads the learning and staff team in Reception and Nursery. Mrs Whytewood will be teaching both classes in Reception and will also be spending time in Nursery each week.

## Parent Governor Elections

With the nation in the grip of election fever, it is time for us to have our very own secret ballot to elect two parent governors. We are pleased that four candidates have put their names forward to support the school and details of the election process will be sent home later this week.

Please read the information carefully and return your voting slips within one week. Every registered parent is entitled to vote. Please use your vote!

## Thank you from Kenya

We have received a message of thanks from Nyandiwa School for the funds we sent after Christmas. There are pictures on our website showing photos of renovated floors and the pupils standing on the new ramp to one of the classrooms. All the materials have been supplied by 'Amani UK' using funds raised by our families. The floors had previously been breaking up and dusty, creating a very poor learning environment for the children.

Thank you for your generosity.

## The Return of Egg-Cam!

We have some 'egg-citing' incubators in our Entrance Foyer this week. We will be keeping a very watchful eye and looking after them really well in hope that we will witness 'new life' at Buckingham Park this week.

You can keep an eye on the action in the evenings by entering our 'Egg-Cam' online room which can be accessed through our website.

**We want to thank the PTA for generously providing the funds to run this egg-cellent project in school. We would not have been able to do this without their kind assistance.**

## PTA Meetings – You're All Invited

Next week the PTA are having two meetings to plan our forthcoming Summer Fete and to discuss the amazing fund raising efforts so far. We will be able to share some exciting news soon about how some more of the money will be spent for the children in school. Please support the PTA by attending one of the following meetings which are both on Wednesday 22<sup>nd</sup> April:

1.30pm in school or 7.30pm at the Aeglelsburgh pub on Watermead.

## Children's Centre Timetable

**Waddesdon  
& Whitchurch  
Children's Centre**

**Believe in  
children**

**Barnardo's**  
South East

The new children's centre timetable is now available from the 'news blog' section of our school website.

The Waddesdon and Whitchurch Children's Centre offer a great range of activities, groups and sessions for parents of young children – and many of these are based at Buckingham Park Community Centre.
