## Summertime...

---

I trust that you enjoyed a wonderful Easter break. Wasn't it lovely to see a little glimpse of sunshine? We're hoping for a great deal more this term!

The warmer weather is great for us in school because we love to make good use of our outdoor spaces – but remember that outdoor learning and play goes ahead in all weathers!

This term, the teachers and staff have some wonderful learning opportunities planned for the children. We continue our creative approach to planning the curriculum and we are excited at the opportunities this gives us to really motivate and inspire the children in their learning.

Very best wishes,

*Nick Waldron*

## School Uniform and Lost Property

---

I want to take this opportunity to thank you for ensuring that your children are well presented in school uniform.

Please remember to name EVERY ITEM of school uniform. I can recommend the name labels from [www.labelplanet.co.uk](http://www.labelplanet.co.uk) These stick-in labels are very simple to use and stay securely fixed to clothing, shoes, lunchboxes and other items – through wear and washes. No ironing or sewing required! There is a link to the Label Planet website on the uniform page of the school website.

In the summer, our school uniform includes summer dresses for girls, and shorts for boys or girls. Please ensure that summer dresses are plain, one-piece, gingham dresses in **navy blue**. Shorts should be plain, grey, traditional school shorts.

Please remember that children should always have a named water bottle in school.
