Buckingham Park Church of England Primary School Nursery Newsletter

Issue 8 :: Tuesday 23<sup>rd</sup> July 2013

## Nearly there...

This time last year, our school building was not yet complete and not a single child had crossed the threshold. We have come a long way in a year...

Our desire was always to build a school, but also to build a community - a learning community, a Christian community and a local community.

We are, of course, still building but we can all be pleased with our achievement so far. Our children, families and staff can all be proud to be part of Buckingham Park CE Primary School and Nursery. It has been an honour and a privilege to lead the school in its first year. Thank you to you all for your support. On behalf of the Governing Body and Staff I wish you all a brilliant summer.

If your child is moving on to a new school in September, we would like to take this opportunity to give you our very best wishes for the future.

Very best wishes,

*Nick Waldron*
