Thanks for Sharing

Our Superhero is proud of you for sharing!

Last week we celebrated Harvest in a special Worship Time, and the children brought forward the food and non-food items they had brought in from home. We have a large collection now to send to the Aylesbury Storehouse which will be distributed to those in need.

As part of our Worship Time we prayed that the items would be a blessing to those families who received them.

Residents Open Meeting

Let's Talk
Together

There will be an open forum meeting at the Community Centre at 7pm on the Tuesday 28th October. It is an opportunity to catch up with what is going on in Buckingham Park, to ask questions and to meet fellow residents.

All are welcome.

Parent Teacher Consultations

Parent-Teacher consultations will be held this week on Tuesday and Thursday.

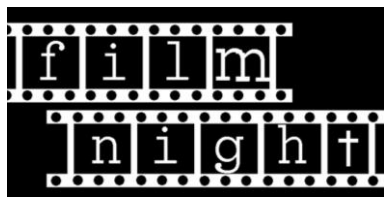

All meetings will be held in the school hall and we will ask you to wait in our waiting area in the corridor until your appointment time. Please arrive in time for your appointment because we intend to run strictly to time to be fair to everyone.

Santa Claus is coming to town...

OK. It's a little early to get too excited, but it's not too early for our wonderful PTA to be organising our Christmas Fayre which takes place on Saturday 6th December. As part of the event, we'll be setting up a Santa's Grotto in the hope that Father Christmas can fit us into his busy schedule. We'd really like to get a Corporate Sponsor on board so that we can buy a gift for every child who visits the grotto. If your business or company might be able to help us, please get in touch.

Film Night – This Friday

It's our first film night of the school year this Friday 24th October. Film night is for children in Years 1 – 4. Doors open at 5.15pm and children should be collected at 7.00pm.

We are showing two films (Rio 2 and The Lego Movie) and children will be able to choose which film they see (though they won't be able to swap once the film has started). The Film Night entry cost is £2 which includes a drink and snack.

Keeping Safe

As the school grows, parking near the school will be very difficult and we do not want this to become an issue whereby our children and families are placed at risk. Please follow the guidelines below to help everyone remain safe:

- Please walk, scooter or cycle to and from school wherever possible. If you live further away, please consider driving part of the way and completing your journey on foot. This will reduce the number of cars around the school area.
- If you need to bring your car to school, please drive at walking pace on Jubilee Square and only park in designated parking bays. Please take special care if you are reversing as young children will not be seen.
- Please do not park on Culpepper Close. This road does not have any public parking – it is for residents only.
