**Information for Parents**

### **What is Breakfast Club?**

The Buckingham Park School Breakfast Club provides breakfast in a safe, secure and relaxed environment together with a range of activities for the children before school. The children are encouraged to be responsible and grow as individuals with guidance from qualified, experienced school staff.

### **When is Breakfast Club?**

Opening hours are Monday to Friday, during term time only from 7.40am until 8.40am.

Children may arrive no earlier than 7.40am; breakfast will be available up until 8.15am (children arriving after 08.15am will not be served a breakfast).

### **Who leads Breakfast Club?**

Breakfast Club is a simple extension of the school day and is managed by the school's leadership team. It is led by staff members.

### **Where is Breakfast Club?**

Breakfast Club is based in the Dining Room. Children must be brought to Breakfast Club by an adult who will sign them in to the club. Some supervised activities will take place in other locations in the school from time to time.

Parents should bring children through the school playground and into the dining room from the playground door.

## **Who is Breakfast Club for?**

Breakfast Club is for any child attending the school in Reception or above (Reception children may join once they are at school for full days – not during the induction period).

## **What does Breakfast Club cost?**

Breakfast Club is not funded by the school. Charges made to parents are intended to cover the cost of staffing, food and resources.

The cost of Breakfast Club is £3.00 per session.

Payment is in advance and all payments and bookings must be made through ParentPay ([www.parentpay.com](http://www.parentpay.com)). No refunds will be given for absence (you can change your booking up to the day before the breakfast club session booked).

All bookings must be made at least one clear day in advance (so that we can ensure we have the correct numbers of staff). If you would like to book for the following day, you may check with the school office to see if places are available.

To book, log into your ParentPay account and select the breakfast club option. There are two stages to booking:

1. Top of the funds in your account available for breakfast club
2. Select the sessions you wish your child to attend ('make a booking')

## **What's for Breakfast?**

Breakfast is included in the cost of the club.

- Toast with a choice of spreads
- A choice of cereal with semi-skimmed milk
- Semi-skimmed milk or water
- Yoghurts

## **What activities are on offer?**

There will be different activities each day ranging from art and craft, to reading activities, board games, computer games and physical activity. There will always be a 'study skills' area available where children can complete homework, learn times tables, read or practice spellings.

## **What else should I know?**

We will only accept children who are pre-booked and we have a limit on the number of places available.

All school policies, such as behaviour and child protection, will apply to the Breakfast Club in its trial period (these are all available from school):
