Dear Parent/Carer,

This term: KaSo Studios brings your children Break Dance basics!

Kate from KaSo Studios is delighted to be returning this year to continue the after school dance club for your children. We have already ventured into the World of Ballet, mastered some Tap dancing, learned Street dance and even Zumba routines.

So what's next?

From September, we would like to invite children from ALL YEAR GROUPS to sign up for a 6 week course in **Break Dance basics!**

We have taught this style to boys and girls at other schools and they have loved it!

It is a great chance to develop strength and balance, and to let your children get rid of some energy. Creativity and team-work will also feature strongly in the sessions.

Again, we will just be running ONE club, directly after school for ALL Year groups: 3.15 - 4.10pm.

We would like to stress that this club is open to boys as well as girls.

WHAT TO WEAR

Children will be asked to dance in a t-shirt, tracksuit bottoms and plimsolls or trainers for break dance.

Bare feet and school uniforms are not appropriate dress, especially for this type of dance. Please can the children bring their water bottles to the session.

The first session will be on **Thursday 18th September from 3.15-4.10pm.**

Please note: in order to provide the best service we can and teach technique, we are limiting the numbers to 30 children.

The price remains the same - £4.00 per session. For ease, we would again ask that you pay upfront wherever possible: £24.00 for the full 6 weeks.

INNOVATIVE QUALITY TEACHING. Always Great Fun.

As last time, places will be allocated on a FIRST COME FIRST SERVED BASIS by returning the slip below to reception as soon as you can. The forms will be date stamped and numbered and school will inform us when all 30 places for Break Dance club are allocated.

We look forward to working with the children of Buckingham Park School again after half term. ***Any child from any year group is welcome to give it a go!***

Many thanks and best wishes,
Kate & Sophie
