Weekend Words - Nursery

What have we been learning this week?

Wow, what a hot week we've had. Most of our learning has happened inside due to the temperatures outside. Please continue to send your child into nursery with a sunhat and with sun cream already applied.

-On Monday we had the opportunity to see the Year 6 Leaver's play. The children sat for half of the performance and were a real credit to us. They sat, listened and clapped in all the right places.
- On Thursday we had the dentist visit us in nursery. Liz, told us how to look after our teeth with what we eat and how to clean our teeth. We sorted foods into healthy and unhealthy foods, looked at models of teeth and different tooth brushes. The children were given a small tube of toothpaste after the visit. The children learnt that the most important clean is the evening clean and they should clean for 2 minutes twice per day.
-Transition day went really well. The children enjoyed exploring Reception. We look forward to visiting Reception again over the next week.
-In Reflect we are continuing our series on what Christians' think God is. This week we looked as God being Our Father. We talked about all the wonderful things our Father's do for us and informed the children that God, Our Father, loves us much more than our parents.

Reminders

- Please do check that your child's bag has a complete set of spare clothes, a packet of baby wipes and a plastic bag to put wet clothes in. Bags should not have toys, sunscreen or snacks in them and all items are to be named clearly. Sorry, sandals and crocs are not suitable for nursery as they do not protect feet from large blocks and tyres outside. Thank you.

What are we looking forward to?
