# park life

Buckingham Park Church of England School Newsletter

## Calling all Superheroes!

Children and grown-ups love superheroes. This term we are incorporating superheroes into many areas of school life including our Worship Times – ask your child to sing 'Jesus Superhero' to you!

We want all our children to be 'superheroes' – defending what is right and just, helping others and working for the good of all.

Our 'superheroes' are the children who follow our code and help others to.

We are kind, helpful and polite
We do our best
We are honest
We share
We are peacemakers
We forgive others
We look after things

You can help your child to be a Buckingham Park Superhero by talking to him and her about our code.

Best wishes,

Nick Waldron

## Parent Teacher Consultations

Our next opportunity for you to met with your child's teacher is coming up. For children in Reception, Year 1 and Year 2 we will be meeting with parents on Tuesday 12th February (evening), and Thursday 14th February (late afternoon). For Nursery parents, your appointments will be made separately.

The appointment letter has been sent out today. Please return your slip as soon as possible.

## Love thy neighbour…

As a school, we want to work closely with our local community and be an active part in making Buckingham Park a great place to live and learn.

Please be respectful of our neighbours when parking your car at the beginning or end of the school day. You are welcome to park in Jubilee Square, or a little further away and to walk in. We would, of course, encourage as many children and parents as possible to walk, cycle or scoot to school.

I am concerned that a number of parents have started to park their cars in Culpepper Close. This is the small close at the back of the school. This road is not designed for additional parking and cars parked at the road side generally block access to driveways and parking spaces for our neighbours. Please do not park on Culpepper Close for this reason. Thank you for your support in this.

Please can I also remind you that the Staff Car Park at the back of the school is for staff parking only.

## Look Smart…Be Smart

Today, we have completed a uniform inspection and, to help you, we have written to you if there is any aspect of your child's uniform and appearance which is not in line with our policy. Please don't hesitate to contact us if you have any questions.

Thank you for your support with our uniform policy and for ensuring that everything is named! Last week we sent home a sample of the labels from Label Planet. If you would like to order more labels please order directly from Label Planet quoting our school number: 35421

## Some additional dates for your diary

Please make a note of the following dates. There will be more infromation to follow:

| | |
|---|---|
