Weekend Words - Nursery

What have we been learning this week?

-In Maths this week the children have been identifying patterns around them. They have been looking for items that have stripes, spotty and so on. They went on a hunt in nursery and drew or brought back the item they found with the specified pattern on it.

- In Funky fingers this week the children made patterns with the pegs and the boards. We talked about repeating patterns and some of the children were able to create their own repeating pattern. The pegs are great at supporting children to hone their fine motor skills in particular their pincer grip.

-In our Physical session, the children were throwing and catching balls to their friends. We asked them to keep track of the number of catches without dropping the ball. One pair managed 5 catches without a drop. Impressive!

-In Reflect we are following a series on what Christian think God is. This week we looked as God being Love. We talked about all those that love and care for us and that God loves us unconditionally.

-In Jigsaw, continuing our learning about relationships; we have talked about all those in our family who love us. The jobs our family members do to look after us and how we can contribute to helping out at home.

What are we looking forward to?

-Shortly we will begin to practise for Sports Day.

-We also have a visit from Ark Farm coming up in June.

We've enjoyed the weather being dry this week, please ensure sunscreen is applied before school and is long acting. We are unable to re-apply sun cream or have it in their bags.

For those that will start school in September 2026, please ensure that you accept your school place. If you wish to join a waiting list for another school you can still do so even if you accept your offer. If you don't accept the offer, the place will automatically be given to someone else on the waiting list. Any questions, please ask.

Reminders

- Please do check that your child's bag has a complete set of spare clothes, a packet of baby wipes and a plastic bag to put wet clothes in. Bags should not have toys, sunscreen or snacks in them and all items are to be named clearly. Thank you.

- Sunflower update: feel free to keep sharing their progress, we are particularly interested to know how tall they are (and is a great maths exercise with your child) by emailing photos directly to nursery@buckinghampark.org. Thank you.

****Lunch boxes**: if your child brings a lunch bag or box to school, please ensure that it is named. Names are best on the front of their bag/box so that staff can identify them easily. All items including clothing brought into nursery should be clearly named. *****
Thank you

Have a good bank holiday Monday, we will see you all on Tuesday.

English

-This week we continued our learning our Talk for Writing story, Jack and the Beanstalk. This week the children had a letter delivered from the Giant. The children had to discuss if the Giant was good or bad and their reasons for their choice.

-This week's story was Where the Wild Things Are. Story is below:
https://www.youtube.com/watch?v=1_zcw1SyjnA

-Neli group (Language group for school starters in the afternoon) has enjoyed the story Copy Cat this week. Please see attachment to accompany the story. You may wish to complete this with your child.

-**Aylesbury Vale Nest** is a charity that offers support to families with at least one child under the age of 5. They support families that require support due to;
-Postnatal depression
-Illness or disability
-Multiple birth
-Relationship breakdown
-Bereavement
-Isolation
Please see the leaflet attached to your email, poster in the nursery or contact Miss Eaver at school
