# Weekend Words - Nursery

## What have we been learning this week?

We had an assessor in this week as our Early Years team are striving to get the *Literacy Champions* award. We will find out shortly what our next steps are to obtain this prestigious award.

-In Maths we have been making models using the blocks, some children have followed patterns to make certain models others have made their own designs. We talked about the shapes they used to make them talking about the properties of the shapes too.
-In Funky Fingers we have been making cards for Father's Day on Sunday.
- In Physical this week, we have continued to practise for Sports Day, we need lots of time to practise. We have practised welly wanging, throwing beanbags into hoops, egg and spoon, and running races. Don't forget that if your child has a t-shirt in their group colour, they can wear that. Please do not buy a new t-shirt for this occasion.
- In Jigsaw, we have continued our learning about Changing me, we've reflected this week on transition into Reception for many of the children but also talking about it for those that will be staying in nursery for another year.
-In Reflect we are continuing our series on what Christians' think God is. This week we looked as God being Great. We talked about Creation and all the wonderful things that God has made.

## Reminders

- Please do check that your child's bag has a complete set of spare clothes, a packet of baby wipes and a plastic bag to put wet clothes in. Bags should not have toys, sunscreen or snacks in them and all items are to be named clearly. Sorry, sandals and crocs are not suitable for nursery as they do not protect feet from large blocks and tyres outside. Thank you.
