Weekend Words - Nursery

What have we been learning this week?

We would like to wish all our families a very Happy Easter. We look forward to welcoming you all back on Tuesday 14th April.

- In Funky Fingers this week we have been practising our cutting using scissors. If your child is unable to cut independently, please do spend some time trying to support them with this essential skill.

-In Maths this week we read another Easter story where Peter Rabbit was collecting Easter eggs. The children practised their counting and using their fingers to represent the numerals.

-In Reflect this week we have been continuing their learning of the Easter Story using the Talk4Writing story map method. The children are really good at retelling this important Bible story. Please ask them about it.

-On Wednesday morning we had the opportunity to listen to the New Mozart Orchestra. They came in to tell us the story of when Paddington Bear's cousin, Victoria, visited London. The children sat beautifully and were incredibly respectful to all the musicians.

-In our physical session, the children were able to visit the climbing equipment next to the school field. They had a great time climbing on all the equipment.

Reminders

If you are following the 40 Acts of Kindness, please do share via email what your children have been up to. We love to show the learning the children do at home at group times. Thank you.

-Over the Easter break, please do check that your child's bag has a complete set of spare clothes, a packet of baby wipes and a plastic bag to put wet clothes in. Just a reminder, their bags should not have toys, sunscreen or snacks in them. Thank you.

- I am keen to hear how the Sunflowers are growing especially over the Easter break. Have you got 3 shoots? Please send photos of how they are growing and perhaps measure them with your child so they can see the progress. Email directly to nursery@buckinghampark.org. Thank you.

-No library books have gone home this week. Instead, why not take a trip to the library in town, it's free to borrow books!

What are we looking forward to?

If you are out and about over Easter, have a go at finding these things with your child:

English

-This week we have continued our learning in our Talk4 Writing story Handa's Surprise. This week the children acted out the story of Handa's Surprise. https://www.youtube.com/watch?v=XyIV_xYi0as

-This week's story was Handa's Hen https://www.youtube.com/watch?v=-9FZqX1CBqE

-In Literacy this week, the children have been looking at a range of books both non-fiction and fiction texts. We have been looking at the differences and similarities for example; where to start reading in a book and naming the different parts of a book, deciding if it's a fiction book or a fact book, looking at the front and back covers and so on. Please do ask these types of questions when you share stories with your child. The more they understand texts the better readers they will become.
