Weekend Words - Nursery

What have we been learning this week?

This week has been Communication Week and we have enjoyed a week looking at different texts. All of our learning has been based on the texts.

-The Jellyfish Jiggle- we completed our physical session copying how the sea creatures move.
https://www.youtube.com/watch?v=rvTtF3NJhO0

-Hooray for Fish- we have made a class collage of the fish and sea creatures we drew and coloured in.
https://www.youtube.com/watch?v=SmGtKn0aylM

-Commotion in the Ocean- we used the instruments to represent to sea creatures. The adults read the book to the children that played instruments alongside it.

-There are Fish everywhere- this is non-fiction book about where we can find fish. This is a beautifully detailed and the children have enjoyed looking at this text. We linked this to learning about what can be found in the sea, and the old tradition of posting messages in bottles. The children have enjoyed making and decorating these. We added food colouring to change the colour of the water and filled our bottles using funnels, using terminology such as empty, half full, and full. This was great fun. Thank you for donating the bottles.

Reminders

If you are following the 40 Acts of Kindness, please do share via email what your children have been up to. We love to show the learning the children do at home at group times. Thank you.

Family photos: For those that have not given us a family photo please email them in or give them to us. Use the email address for below to send directly to us. Thank you.
nursery@buckinghampark.org.

Additionally, we are making sure we have all the collection rotas up to date. If you have been given a new one to fill in, please do add photos to them or again email them to us, remembering to let us know who each person is in the photo. You can email the photos if this is easier for you to **nursery@buckinghampark.org**

What are we looking forward to?

Thank you for coming into Nursery today to read with your child, we hope that you enjoyed being in the environment with your child. It was also great to see all the children dressed up.

Here are some ideas as to what you can do at home to support your child with communicating:
chrome-extension://efaidnbmnnnibpcajpcglclefindmkaj/https://earlyyearsweb.buckinghamshire.gov.uk/media/m1elnics/parent-card.pdf

In the afternoons, those children that will be moving up to Reception in September have begun a Language programme called Neli. We are trailing it in Nursery and I've added an attachment about how you as parents can support this learning at home.

English

-It's been a brilliant whistle stop tour of learning the Gingerbread story. The children always enjoy this one as the story has lots of repeating lines. This week the children had to decide whether the Fox was right or wrong to eat the Gingerbread Man. Do ask your child how they voted.

-This week's story was Don't Forget the Bacon. We will do some more work with the story next week when we learn about writing shopping lists.

-In Reflect this week we have been talking about the people that love us in our homes. Linking to Mother's Day, but recognising all of our parents. The children will be bringing something special home later next week to show their love for you.
