# Weekend Words - Reception

## What have we been learning this week?

This week the children have enjoyed talking about themselves and what they like and enjoy.

The children had great fun at sports day this week and were super excited to show off their sporting skills to all their grown ups. They really enjoyed watching the parent races and there was lots of discussion on what was the best way to win!

This week the children said goodbye to Mrs Perks as she started her maternity leave. They are excited to meet the baby in the next academic year!

## What are we looking forward to?

All the children are super excited for the holidays and we have been talking about Summer safety rules. The children have been sharing their holiday destinations and we have spent time exploring where they will be going and what they would like to do.

Next week we look forward to celebrating the end of the Reception year with the children as we say goodbye and celebrate the successes of the year!

## Phonics

In phonics the children have been exploring longer words and words containing consonant clusters. All children have learnt the diagraph 've' this week.

We have continued to practise blending and segmenting these words to help develop their reading fluency and spelling confidence.

The children are also continuing to build their confidence with their set words. Why not see how many of these tricky words your child can remember?
