Weekend Words - Year 1

What have we been learning this week?

This week has been Assessment Week

English – The children have been learning to follow instructions using the language 'first', 'next', 'then', 'after that' and 'finally'.

Maths – We have been learning number fact families and finding the difference between numbers.

Geography – We have been learning about the Geography of Scotland.

Science – We have been learning to name common fruit and vegetables.

RE – We have been learning about the Jewish Festival of Shabbat.

DT – We have continued to make our windmills by fitting our sails to our windmills.

Reminders

Reading books should be in bookbags every day. For the majority of children, these will be changed on a Monday. We will check each day if they have been read. Children who have read 5 times in a week will have a ticket entered into our 'Reading Raffle'.

PE 1A - Thursday and Friday.

PE 1B - Tuesday and Friday. (changed day)
A **labelled PE kit**, with something warm to wear for our outdoor lesson is required.

Coats – please ensure children have a coat as the weather is still unpredictable.

Name Labels – please ensure all items are **clearly** labelled. This includes clothes, coats, drink bottles and lunch boxes.

If you wish to speak to your child's teacher, it is best to speak to Parent Point first or send an email to the office. The teacher will then let you know when they are free to meet.

What are we looking forward to?

Friday 20th March – Comic Relief
We are asking for donations to Comic Relief of £1 and the children can wear a red accessory to complement their school uniforms

Friday 27th March – Last day of term
School finishes for the Easter Holidays at 1.30pm.

Spellings

We suggest that children use the procedure of 'Look, Say, Cover, Write, Check' when learning spellings. Spellings are linked to the Phase 5 phonics which we are teaching in class.

Common Exception words
1. has
2. his
3. is
4. was
5. were
6. are
7. says
8. said
9. today
10. the
