Weekend Words - Year 1

What have we been learning this week?

English – *'Zonia's Rainforest'* has continued to be our inspiration for our story writing. The children have planned and written their stories this week.

Maths – We have started a new unit this week and have been focusing on money. We have learned the different coins and notes and are beginning to recognise the difference between pounds and pence.

Year 5 & 6 play – On Monday, we were lucky enough to watch Year 5 & 6's performance of 'The Wizard of Oz'. It was brilliant and we enjoyed seeing all their hard work.

Sports Day – The children showed brilliant determination and sportsmanship during sports day. It was lovely to watch the children cheer on their team mates. Thank you to those of you who came along and cheered on the children.

Reminders

Library books - Please can the children now return all library books.

Reading books - We will stop sending reading books home on Friday 17th June.

What are we looking forward to?

Warm weather

There are still a number of children arriving at school without water bottles and sun hats. Please double check that the children have these each morning. Sunglasses are not allowed, unless these are prescription glasses. Sun cream must be applied before school.

End of term - Wednesday 22nd July at 1:30.

Spellings

We have now finished assessing the children on the Year 1 common exception words. We have sent a copy of this home with their reports. Please take some time to look at what they might need help with and practice reading and spelling these words over the summer holidays. The assessment sheet will also include the Year 2 words that they will focus on from September.
