Weekend Words - Year 1

What have we been learning this week?

This week has been Assessment Week

English – We wrote instructions and edited our writing.

Maths – We learnt to add ten and ones and numbers up to 50.

Geography – We have learnt about Northern Ireland.

Science – We have been learning about trees and plants.

RE – We learnt what Jewish children can and cannot do during Shabbat.

DT – We evaluated the windmills that we have been making over the last few weeks.

What are we looking forward to?

We would like to wish all of our families a wonderful Easter break and we look forward to seeing you in the Summer term, where hopefully the sunshine is here to stay!

Upcoming dates

Monday 13th April – Inset day

Tuesday 14th April – School opens

Reminders

Reading books should be in bookbags every day. For the majority of children, these will be changed on a Monday. We will check each day if they have been read. Children who have read 5 times in a week will have a ticket entered into our 'Reading Raffle'.

PE 1A - Thursday and Friday.

PE 1B - Tuesday and Friday. (changed day)
A **labelled PE kit**, with something warm to wear for our outdoor lesson is required.

Coats – please ensure children have a coat as the weather is still unpredictable.

Name Labels – please ensure all items are **clearly** labelled. This includes clothes, coats, drink bottles and lunch boxes.

If you wish to speak to your child's teacher, it is best to speak to Parent Point first or send an email to the office. The teacher will then let you know when they are free to meet.

Spellings

We suggest that children use the procedure of 'Look, Say, Cover, Write, Check' when learning spellings. Spellings are linked to the Phase 5 phonics which we are teaching in class.

Revision week *Spend some time looking back over past spellings*
