Weekend Words - Year 2

What have we been learning this week?

In Maths we have continued our unit on problem solving. We have been using a 100 square to solve problems, adding and subtracting three one-digit numbers and solving calculations involving missing numbers.

This week in English we have continued looking at diary writing. We answered comprehension questions about 'Lots' and planned our own diary entry using pictures and words.

We are really disappointed that we didn't get to go to Whipsnade Zoo today, however the children handled this really well and had a fun-filled day completing some multiplication Maths challenges, designing their own zoo and taking part in other games and activities.

Next week we will be making pizza wraps, we will send an email about the ingredients we are using next week, please speak to your child's class teacher if your child has any allergies. They will not be eating these in school.

Reminders

Warm weather

Please make sure your child has a named water bottle and sun hat in school. **Sunglasses are not allowed, unless these are prescription glasses.**

Reading

Please make sure you are recording when you read with your child at home. We check reading records daily and it is expected that children read 5 times a week. Children are expected to re-read their reading books to encourage reading fluency, we will only be changing books once they have been read more than once.

Our day to change reading books is **Monday.**

Uniform reminders

Please can children refrain from bringing items in from home, especially stationary.
Please can we ask for you to check that all of your child's school uniform is clearly labelled. We are unable to locate missing uniform if it does not have a name on it.

What are we looking forward to?
