Weekend Words - Year 2

What have we been learning this week?

In Maths we have finished our unit on problem solving. We have focused on missing numbers, mental addition and subtraction, efficient subtraction and solving problems.

This week in English we have continued looking at diary writing. We answered comprehension questions about 'Lots' and wrote and edited our own diary about a trip to Mauritius where we discovered the Dodo.

The children had a great time making their pizza wraps, we hope they enjoyed cooking and eating these!

Plastic bags:

As we are coming to the end of term, please can your child bring in a strong plastic bag clearly labelled with their name to bring home all their exercise books.

Reminders

Warm weather

Please make sure your child has a named water bottle and sun hat in school. **Sunglasses are not allowed, unless these are prescription glasses.**

Uniform reminders

Please can children refrain from bringing items in from home, especially stationary.

Please can we ask for you to check that all of your child's school uniform is clearly labelled. We are unable to locate missing uniform if it does not have a name on it.

What are we looking forward to?

We cannot believe we have completed our final full week in Year 2! We have had a wonderful year and hope you all have a fun-filled, restful summer. We look forward to seeing the children in September when they are in Year 3!

Dates for your diaries:

Wednesday 22nd July – Last day (1:30pm finish)

Thursday 3rd September – First day back

Whipsnade Zoo

This has been rescheduled for Friday 18th September. The children will go with their new class teams.

Spellings

There will be no spellings next week as we are only in school for 2 ½ days. You will have received your child's Year 1 and 2 Common Exception Word list with their report on Monday. Please continue to practice the words they do not know how to read and spell over the summer holidays.
