Weekend Words - Year 3

What have we been learning this week?

English – This week, we have started a new unit on instruction writing. The children were tasked with building something out of Lego in five minutes and then writing a set of instructions explaining how to build their creation.

Maths – We finished our topic on time and have moved on to turns and angles.

Science – We have an ongoing science experiment this term, looking at four plant saplings in different conditions: normal conditions (light and water), drought, darkness, and cold temperatures. We will be observing these plants over time.

Geography – The children have been using atlases to identify different countries in Europe and learn about their climates.

What are we looking forward to?

We were so lucky to host Author and Illustrator Beatrice Simpkiss. We thoroughly enjoyed listening to her story and doing a step by step drawing of her caterpillar Ziggy.

June 22nd: Sports Week

Thursday 25th June: KS2 Sports Day

The Public Speaking Ccompetition is back! Prepare your speech ready to wow us with what interests you on Thursday 2nd July.

Reminders

PE: Our PE slots will take place on a **Tuesday** and **Thursday for both classes.**

Homework: Children are expected to be reading **5x per week**. This can be logged in their reading records and will go towards a raffle ticket. Those that contribute to our reading reward challenge also get to take part in the reward.
