Weekend Words - Year 4

What have we been learning this week?

English – this week we have planned and written our own non-chronological repot, showcasing what we have learnt. There were lots of interesting topics such as 'Are you ready to own a dog?'.

Maths – we have continued our work on decimals, looking at tenths and hundredths and using our knowledge of dividing by 10 to make decimal numbers.

RE – we discovered that the medieval church was like, exploring pilgrimage and cathedrals.

Science – we explored soundproofing and how different materials lower the amplitude of a sound.

Multi-skills – we had great fun at The Grange school! It was a lovely morning taking part in lots of different sports.

Please remember to send PE kits back in on Tuesday 5th May.
