Weekend Words - Year 4

What have we been learning this week?

This week, Year 4 have been having lots of themed days!

RE – we explored Hinduism, looking at how they worship and comparing this to things we do in our own lives.

Geography – we looked at rivers and why they are important. We created posters showing what rivers can do and compared rivers.

Art – we used pastels to create a water picture. Photos of this are being added to the blog on the school website.

Science – we loved exploring states of matter! Through lots of practical experiments, we look at changing states and really enjoyed getting to melt chocolate in te DT room!
