Weekend Words - Year 4

What have we been learning this week?

English – we have continued our narrative writing by creating a story on the Titanic.

Maths – we have looked at co-ordinates and time zones to fit in with art week.

Art - This week has been art week and the children have created some amazing pieces of art work. We have been collaborating to create one large piece of art. Each child has created a piece of sky by painting on fabric, a piece of river using collage, a skyscraper to be part of a skyline using junk modelling and a boat to go on the river using clay. They have also each drawn an image in a porthole. We hope you will come along to look at them.
