Weekend Words - Year 4

What have we been learning this week?

Maths – we have continued to revisit factions, looking at equivalent fractions and simplifying fractions.

English – we had great fun retelling the story of Tiddler, creating our own props to support our verbal story telling. Why not see how much we remember?

Easter play – we have started rehearsals for the play.

Thank you to all the parents who have helped children learn their lines over half term.

Please ensure the children know their words ready for next week. We will not be using scripts anymore!
