Weekend Words - Year 5

What have we been learning this week?

Animals VR Enrichment Day

What another fantastic day had by all. We thoroughly enjoyed travelling to different continents and discovering the different animals that live there and to experience all this through the VR headset without leaving Buckingham Park. The children loved it so much they want to do it again.

Public Speaking

We listened to all the amazing speeches prepared by the children. They showed confidence and passion when delivering their talk to the class.
The semi-finals take place today.

Transition

Year 5 thoroughly enjoyed Tuesday when they met their teachers for Year 6. They came back buzzing. They are in for a super year.

What are we looking forward to?

Sports Day 2.0
Tuesday 14th July @ 11 am

Year 6 Performance of The Wizard of Oz Tuesday 14th afternoon and Wednesday 15th July evening.

Perhaps a few cooler days!

Reminders

Thank you to everyone that has made payment for our two enrichment days, so far.

We still have quite a few families that need to make payment for The Problem Solving Company and VR Enrichment Days.

Whilst we appreciate these are voluntary payments, without your support they cannot be put on.

****

Please send your child in with a water bottle. So many have been coming into school without one.

Please could each child bring in a plastic bag ahead of the end of term, for any books or art work that maybe coming home.

Spellings

We have completed the spellings from Purple Mash and our focus will now turn to the statutory list the children should know for Year 3&4 and Year 5&6 over the next coming weeks until the end of term.

accident(ally)	disappear	interest	pressure	accommodate	correspond	identity	queue
actual(ly)	early	island	probably	accompany	criticise (critic + ise)	immediate(ly)	recognise
