Weekend Words - Year 5

What have we been learning this week?

English – We have made some super progress understanding the steps to write a balanced argument. As you can imagine the 'for' paragraph was an easy one with the question on whether the school day should start at a different time!

Maths – we have learnt how to use our number bonds when adding decimals.

HISTORY – we have used our skills with a balanced argument to have a debate in class as to whether it was right for women to fight for their rights.

What are we looking forward to?

Art Week 18th May – next week
