Weekend Words - Year 5

What have we been learning this week?

Maths- This week in maths, Year 5 started work on geometry. They learnt how to use a protractor to measure angles up to 180 degrees. They found this quite tricky and so would benefit being able to practice this at home.

English- Year 5 have continued this week looking at letter writing, focusing on turning formal sentences into informal.

PE- They enjoyed taking part in a netball tournament this week- we were really impressed with how well they worked together.

Science- This week Year 5 learnt about reversible and irreversible changes. As part of this lesson we made Rice Krispy cakes which they took home on Thursday.
