Weekend Words - Year 5

What have we been learning this week?

ART WEEK – we have had tremendous fun this week, creating work based on the painting Men of the Docks by George Bellows.

We can't wait to share what we have been up to when we show case it to you in our open afternoon after Half Term.

MATHS – we have learnt how to add decimals numbers and find sequences.

We also learnt of the amazing arrival of Mrs Ward's baby daughter, who arrived safely into the world last Friday.

What are we looking forward to?

New School Photo Day 11th June

Art Week Gallery 11th June 3.15pm

Sports Week 22nd June

UKS2 Sports Day 25th June
Year 5 11am – 12pm

Transition Morning 7th July

VR Work Shop 8th July – details to follow shortly.

Public Speaking Competition –
1st Rounds 29th June

Learning the songs for the Year 6 Production of Wizard of Oz.

Reminders

Make sure your child's pencil case has the necessary equipment to complete work – pencils and blue pens are needed desperately.

****

After half term we are going to be looking at human development in Science. We would love it if the children could create a graph using factual information. Are you able to send in a note of their weight and height when they were born please? Thank you.

****

Have a great Half Term break.
We look forward to seeing you back on Tuesday 2nd June for the last 7 weeks before the children move up to Year 6.
Where has the year gone.

Spellings

There will not be any separate Maths or English set over the Half Term Break.

With assessments just around the corner after half term it will be important to keep the eye on the ball.

We do encourage you to continue to read, use Maths Whizz and TTRS so you don't get 'rusty'.
