Weekend Words - Year 5

What have we been learning this week?

Maths – This week in maths we have moved onto calculating perimeter of rectilinear shapes.

English- This week we have started our World Book Week two-week unit, focusing on 'The Snail and the Whale' by Julia Donaldson. Year 5 have enjoyed studying the book and writing setting and character descriptions.

History- This week we have looked at Victorian crime and punishment, as well as what life was like for working Victorian children.

PE – we have continued to enjoy playing Badminton, and have started our netball unit.

What are we looking forward to?

Author Visit – On Friday 13th March we will take part in workshops with Banji Alexander – as seen on Britain's Got Talent. Visit www.banjialexander.com/banji-in-the-media to see where else he has featured.

World book week- Please send in your entries for our 'Extreme Reading' competition by Thursday 5th March.

We are encouraging all children to dress up as a character from a book next Friday 6th March.

Reminders

Please look out for an email from the Year 5 team regarding some cooking we will be doing as a year group. This email details all the ingredients used, which we have made sure are appropriate for allergies. If we don't hear from you we will assume all ingredients are okay.

Please encourage your child to **read daily** at home and please sign their reading records so that they can be entered into the Reading Raffle.

PE Kits should be in school every day. With the cold weather upon us, please make sure there is appropriate clothing so they can still take part outside.

Please name ALL equipment and clothing. It really helps us when looking through lost property.
