Weekend Words - Year 5

What have we been learning this week?

Maths – in Maths we have continued to look at the relationship of decimals to fractions and why our knowledge of place value is so important.

English- this week in English when describing a setting we looked at how showing not telling in our writing created a far more vivid picture for our reader.

Rob Biddulph – what an amazing opportunity for the children to meet this author at our School on Thursday. He told the children about how he got into drawing, writing books and Draw with Rob. We even got a chance to take part in a live Draw with Rob – it was awesome.

What are we looking forward to?

Parents Evening Tuesday 10th and Thursday 12th February

World Book Week
Mon 2nd to Fri 6th March
This year the children are to come as their favourite book character. Prizes will be awarded.

We have also brought back the 'read in an extreme' place. Send entries into school before world book day.

Comic Relief *Red Nose Day*
Friday 20th March

Reminders

Please encourage your child to **read daily** at home and please sign their reading records so that they can be entered into the Reading Raffle.

PE Kits should be in school every day. With the cold weather upon us, please make sure there is appropriate clothing so they can still take part outside.

Please name ALL equipment and clothing. It really helps us when looking through lost property.

Please check your child's pencil case so that they have the correct stationary required for their classroom learning. Many children need new blue pens and pencils.
