Weekend Words - Year 5

What have we been learning this week?

ENGLISH – we have looked at writing a balanced argument about 'Should children be allowed to choose where they sit in the classroom?' This as you can imagine was a real hot topic and they have produced some super pieces of writing.

MATHS – we continued to look at decimals and dividing them by 10,100 and 1000 before moving onto understanding Negative Numbers.

PE – Year 5A took on Year 5B within their houses during our last Cricket session with Emily. A thoroughly enjoyable time was had by all.

MUSIC – we are in full swing learning the songs for the Year 6 Production of The Wizard of Oz.

Reminders

Make sure your child's pencil case has the necessary equipment to complete work – pencils and blue pens are needed desperately.

****

This half term we are going to be looking at human development in Science. We would love it if the children could create a graph using factual information. Are you able to send in a note of their weight and height of when they were born please?
Thank you.
We have had 1 so far.

****

PE is on a Monday and Wednesday. Children MUST have appropriate clothing in school.

What are we looking forward to?
