Weekend Words - Year 5

What have we been learning this week?

English – We have started our new unit on Balanced Arguments and how you look to answer a question without giving a view point but presenting the for and against facts. We started with one about homework – as you can imagine this was a 'hot' topic!

Maths – we are pressing on through our Power Maths book. This week saw us finish about Geometry and move onto Decimals

HISTORY – we have been learning about the suffragettes and how women stood up for their rights. Without this movement, women might never have the rights they have today.

What are we looking forward to?

With the warmer weather we are enjoying, please make sure your child has a named water bottle in school and a sun hat.

Art Week 18th May
We would be grateful for cardboard for some of our activities please
