Weekend Words - Year 6

What have we been learning this week?

Assessments – This week, our Year 6's have worked very hard on a final practice for our SATs assessments. This involved assessments in Reading, SPaG and Maths. We have started sharing some results with the children.

English – We have been looking at using 'Description, Action and Dialogue' within our story writing to advance the action of the story. To do this, we watched a video extract titled. 'Rock, Paper, Scissors' which was a silent video that allowed the children to create their own dialogue and characters.

Reminders

Please check your child's **pencil case** so that they have the correct stationary required for their classroom learning. Many children need new **blue pens** and **pencils**.

Please also encourage your child to login to **Purple Mash** and **Maths Whizz** each week.

PE will be on **Monday** and **Thursday** this half term. Please ensure **PE kit** is in school for these days.
