Weekend Words - Year 6

What have we been learning this week?

Maths – We have continued to cover 3D shapes, coordinates and statistics. We have also been revising elements of our arithmetic knowledge by recapping percentages, decimals and fractions.

English – We have focussed on a variety of 3-mark questions and looked at how writers create 'atmosphere' in their writing. The children have also continued to look at various letter strings for spelling and have covered tenses, semi colons and types of sentences.

PE – We enjoyed another session with, 'Chance to Shine' cricket this week and loved that sun was out too! We worked on bowling techniques and saw some real improvements during our session!

Reminders

Please check your child's **pencil case** so that they have the correct stationary required for their classroom learning. Many children need new **blue pens** and **pencils**.

Please also encourage your child to login to **Purple Mash** and **Maths Whizz** each week.

PE will be on **Monday** and **Tuesday** this half term. Please ensure **PE kit** is in school for these days.

Please continue to encourage your child to read daily at home (independently or with you).

What are we looking forward to?

Y6 Booster groups (invite only, letters have been sent home) – 8am Tuesday 14th April

Y6 SATs week – Monday 11th May

SATs Breakfast Club – Monday 11th May 8am (more information to follow)
